

# Love is Faithful!

**Do you worry about what your family is exposed to on the internet? Does your marriage need help with rebuilding trust and faithful love?**

The Archdiocese Anti-Pornography Task Force (1-888-808-9055) has information on the following to protect both children and marriages: Internet filtering software, filtering devices for cell phones, movie reviews, counseling referrals, and books, websites, and CDs with a new vision of love and intimacy.

In addition, the My House Women's Group provides hope and healing for women who are dealing with their loved one's struggles. Please contact the Women's Recovery Group number at 402-557-5664 or email at [womensrecovery@archomaha.org](mailto:womensrecovery@archomaha.org) for more information.

There are dozens of men in the My House Men's Groups in Kansas and Colorado who have broken free from porn for over 1 year. Now we are bringing this success and return to a faithful love here. A chance at breaking the chains of pornography addiction can be found by calling the Men's Recovery Group number at 402-557-5663 or email at [mensrecovery@archomaha.org](mailto:mensrecovery@archomaha.org).
